

TITLE of the BIP :

MULTILINGUALISM AND INTERCULTURAL COMPETENCES

General Course Information

- Course Description:** The Ulysseus Blended Intensive Programme on Multilingualism and Intercultural Competences is a transformative experience designed for non-academic staff from Ulysseus partners enriching participants professional and personal growth.

The programme commences with a virtual kickoff on May 13th and continues on-site from June 3rd to 7th, 2024 in Haaga-Helia, Finland. The camp aims to foster deep connections through team-building, introductions to partner universities and comprehensive tandem-language learning sessions. Attendees will explore eight cultures of the alliance, participate in language tandems, and engage in intensive days of lectures, workshops and simulations focused on developing intercultural competences, including communication, cultural intelligence, intercultural conflicts and much more.
