

SK KOSICE03: Courses - Faculty of Material, Metallurgy and Recycling, TUKE	Semester	Study cycle	ECTS credits	Code of subject
Quality Management Systems	winter/summer	master	6	
Computer Aided Quality Management	winter	master	5	
Human Resouce Management	winter	master	5	
Tools and methods of quality improvement	summer	master	5	
Metrology and Quality Management	winter/summer	master	5	
Statistical Methods in Quality Improvement	winter/summer	master	6	
Processes of Projects	winter	master	4	
Innovation engineering and open innovation	winter/summer	PhD	10	
Process modelling and simulation	winter/summer	PhD	10	
Systems theory and quality engineering	winter/summer	PhD	10	
Technical Chemistry	winter	bachelor	5	22000882
Foundry Engineering	winter/summer	bachelor	7	
Nonferrous Metals	winter/ summer	bachelor	7	
Foundry Materials and Technologies for Automotive Industry II.	winter/summer	bachelor	7	
Materials Science	winter	bachelor	6	2201531
Metalography	winter	bachelor	5	22000549
Solid-state Physics	winter	PhD.	20	2208181
Advanced Materials	winter, summer	PhD.	20	22000671
Phase Transformation in Solid State	winter, summer	PhD.	20	2208311
